

Paradigm Forensics Adds Mariz Helal

Paradigm Forensics is excited to announce that Mariz Helal, CVA has joined us as a forensic accounting and business valuation Senior Associate. Mariz graduated from the University of Maryland with a major in Economics and has worked in the legal and valuation field for a number of years. Additionally, she holds her Certified Valuation Analyst designation and was recently named as one of the National Association of Certified Valuators and Analysts (NACVA) 2022 “30 Under Thirty” awardees. She is also in the process of earning her Chartered Financial Analyst designation.
